' does not work for me (Win7 64) I have all the same software installed in my laptop, but no way to register. When I run regsvr32, I get a message saying c:\WINDOWS\system32\dssauth.dll regsvr32.exe: Can not open file C:\Windows\system32\dssauth.dll I have followed the suggestions I found for the error message, to no avail. I have dssauth.dll in c:\Windows\SysWOW64\ and c:\Windows\System32\ I have tried to use c:\Windows\SYSTEM32\ and I also tried c:\Windows\System32 but got the same message. I also tried the full path of dssauth.dll but still no success. It's the same on all browsers, from Chrome, IE and FF. How to fix this problem? A: I had same problem but with another software. I guess you need to know where is the dssauth.dll file. you can find the dssauth.dll file in c:\program files\internet explorer\iexplore\components\bin\x64\dssauth.dll After that you can copy it into C:\Program Files\Gmssoft\Mozilla Firefox\components\bin\x64\dssauth.dll Try this... Right-click on the dssauth.dll in Windows Explorer, Choose 'Properties' Choose the 'Compatibility' tab Choose 'Windows XP' in the dropdown box (You may need to scroll down on your screen, and make sure you are in the right section for your screen resolution.) Check the 'Run this program as administrator' box Click 'Apply' Restart your browser and try again...

Efficacy of the therapeutic approach of "refocusing on the future" for treatment of major depression: the Japanese experience. To describe the efficacy of the therapeutic approach of "refocusing on the future" in the treatment of major depressive disorder (MDD) in Japanese patients. One hundred and one patients with MDD were randomly assigned to either "refocusing on the future" therapy, brief psycho-education or treatment as usual (TAU). At post-treatment, "refocusing on the future" produced a significantly
