Sallen - Rika Nishimura - (CD) [Saleen] - Juno (JUL 12) I want to save only the 3 characters "Rika" and the.rar file which is "Friends IV rar". I tried to use regex but it could not work. A: Try this: import re re.match("(?:RikaFriendsI.rar) \*r\* ", your\_input\_string).group() Explanation: (?:RikaFriendsI.rar) - Group all words you are interested in. r\* - Anything that is a linebreak. (if you're sure that all lines end with , remove this part. - Anything that is a newline After that, you can access the group with the.group() method. Example: >>> re.match("(?:RikaFriendsI.rar) \*r\* ", "Here is a content to parse: Rika Nishimura Friends IV rar Hello World").group() 'Rika Nishimura' and then put it to a malicious use, however. The owner of the sword made by Gilles de Rais in the seventeenth century. ( Public Domain ) The sword was clearly not used by the devil, but it was definitely used to bewitch a good person. Is this just a case of local superstition? Or is this in line with the general understanding of witchcraft in Europe in the late medieval period? During the witch hunt of the late sixteenth and seventeenth century, people were accused of witchcraft for some pretty silly reasons. For example, poor people were accused of witchcraft because they had less money. They were arrested and put on trial for casting spells on their rich neighbors. As Gilles de Rais got older, he was accused of witchcraft. He was put on trial. When
