FiFA 11 (2011) Full Rip Globe [1.5GB] download subtitle indonesia full . FiFA 11 (2011) Full Rip - Globe [1.5GB] 11 . Jul 9, 2560 BE The game seems great but i cant make it work. No internet connection. And i cant even try to play it offline. I know my internet is good but i am getting a download manager fail. Some people have it working for some seconds and then it stops working. Jul 9, 2560 BE So the online mode of the game is not working in the version i got it. After login i get the following error: "Error in the connection with the server. The game can not be started.". Jul 9, 2560 BE I am in Sweden and when i ping the servers to see if the latency is getting higher than expected it says 100 ms. I am not really sure what it could be i have tried it with a 10 mbit and a 100 mbit connection but the ping still stays the same. Mar 22, 2564 BE Hello, I have followed all the steps but still can not play it. I don't know if it's my internet or the game it self. It's only when i try to play online it gives me the following error: "Error in the connection with the server. The game can not be started." I can play offline without any issues so it seems the internet is working good. Aug 7, 2565 BE Download this game from hellowbros.com to play offline. The offline maps are not available to buy.
