The only known fix at the moment. Open up the installation manager and go into patches, then patch 0003 and before clicking... What I would normally do is install any patches that were last installed before the glitch occurred, and just apply them in the order in which they were installed. Some patches, like the patch for the EPL 2017 season, can be installed together, and installing them won't overwrite previous patches that were applied. Try out 'The Punisher' in the new season It's been a tough few years for Frank Castle. Now, he wants some action. So, for his new season, Netflix has brought on the Punisher, the world's most hardcore agent of vengeance. Ben Barnes -- The Son of God -- plays the ruthless assassin who embodies the character's brutal behavior. There is no time for the crew and team of the Punisher to grow and bond. Barnes' character is convinced by his mother that the only way to make it through life is with a gun and an aim to just kill things. The season is made up of four episodes. Each one will be released online, on separate dates starting Jan. 18. In each episode, Barnes will deliver 10 minutes of one-take gun fights. The season arrives on Netflix Jan

F.M 2016 Fix Dec 13, 2015 Upd: The problem is fixed! It seems that there was a software update causing the bug on old games. You can download the new software update here: as well as on the (official) FM16 site here: You need to register to my website for this. The update is about 4GB. New password required for this update. Dec 17, 2015 Upd: Seems to be fixed, can now download the crack again! Dec 23, 2015 Upd: Seems to be fixed, can now download the crack again!
