Oracle 11g PLSQL Programming Joan Casteel Pdf

---

Amazon.com: Oracle 11g: PL/SQL Programming: 9781133947363: Castell, Joan: Books. Programs Annotation to the book "Oracle 11g: PL/SQL Programming." This book is intended for developers of PL/SQL applications who want to take advantage of the features provided by the Oracle 11g environment. Written in a free style, it allows you to quickly move from writing a PL/SQL program to creating applications that work with Oracle 11g databases. The book covers all the new features of PL/SQL in detail, and discusses alternatives for using it.
