It's a new setting for the "Position" for the dialog... And you can see the dialog right below the figure. The effect is basically the same like before, but this time the dialog is always visible and the figure moves around it. Let's see what it's like! 10-06-2008, 05:13 PM doomlord42 Wow! That's all I can say, that's an amazing site!! I can't wait to see what else it has to offer. NEW YORK — Harvey Weinstein has been investigated by police on suspicion of rape in one of the cases that led to him being expelled from the Academy of Motion Picture Arts and Sciences, multiple news outlets reported Thursday. The Los Angeles Police Department in 1997 began an investigation into the rape allegation, according to one report in The New Yorker, which described the case as involving an unnamed actress who met Weinstein at a casting session for the 1998 film "Leaving Las Vegas." The actor told the magazine that she was given alcohol and forced to perform a sex act on Weinstein, who she said went on to rape her. The Los Angeles County District Attorney's office in July 1997 declined to file charges in the case, Los Angeles police Lt. David Middlecamp said on Thursday. The district attorney's office cited insufficient evidence to file charges, Middlecamp said, but did not make an official determination as to whether the woman was a victim of sex crimes. The woman told The New Yorker that she had hoped the Los Angeles Police Department investigation might lead to Weinstein'
