2019 GoodNews Consistency of
Content The information most often
is kept consistent. If a new episode
is aired on a Wednesday, the next
episode will be aired the following
Wednesday. Similarly, if the
producer of a show would normally
post a new episode to their website

on a Monday and the website falls out of date before that week's episode, it will be posted to the website on Wednesday. In the case of the website going down entirely, they may recommend that the show has been delayed until the next release, and that the website is being updated on the same day. Premiere Dates The premiere dates of the

show are usually at least one month in advance. Despite this, there are still occasionally shows that are released on Thursday. Repetitive Episodes While some shows have recurring storylines, episodes of these shows generally do not. They are all
